Performance Center® Model 327 WR Revolver

Breaking down barriers with the revolver, Smith & Wesson® and Jerry Miculek introduce a signature design used to achieve his latest world record. Fast features like a lightweight scandium frame, titanium cylinder, signature grips, and smooth trigger action were all necessary for Jerry to accomplish his goal. The Model 327 WR showcases a new C.O.R.E. system for revolvers to accommodate a wide range of red dot optics to help enhance your shooting experience.
